ABOUT OUR CHARITIES

The Langley Care Foundation

Langley Care Foundation is a registered charity that helps to ensure that adequate and sustained funding is available to enhance the quality of life for Langley Lodge residents.

Opening its doors in 1974, Langley Lodge is a not-for-profit, equal access and accredited complex care home that serves the elderly and those with disabilities who require residential care. The Langley Lodge mission is to provide exemplary care for the aging population in our community.

Recognizing that resources are limited in the health-care system, it is the vision of the Langley Care Foundation that the quality of life for our residents is ensured now and to the end of life.

Funds raised through the Caring Hearts Gala will support the very popular Therapeutic Recreation programs that include Pastoral Care, Art, Horticultural and Music Therapies. In addition, the event will help with the purchase of Equipment and Furnishings that meet the needs of Langley Lodge residents.

Working together, we can make a difference and enrich the quality of life for our 139 residents each and every day! For more information visit www.langleylodge.org
